My College Desires (ASNAD Book 1)

But for his observant curiosity, and the skill with which he managed to introduce himself into the salons of Paris, this story would not have been colored by the tones of truth which it certainly owes to him, for they are entirely due to his penetrating sagacity and desire to fathom the mysteries of an appalling condition of things, which was concealed as carefully by the victim as by those who had brought it to pass.

Dragon Song (Age of Valor Book 3)

Recognizing a medical problem that is contributing to a mental illness is difficult, but there are certain red flags that suggest physical causes.
