Noun plural apprehensions rare The physical act of seizing or taking hold of; seizure. Craigslist is awesome Student housing boards - Georgetown in particular has lots of near university housing but generally roommates. When the philosopher ought to remain silent, the poet, however, craftily conveys what cannot be spoken of under the veil of fictions. While I do agree with you that technically it should say "ever on record" as opposed to just "ever" we can quite reliably date large earthquakes from hundreds even thousands of years before we had modern seismographic equipment and began recording every tremor.

William J.

Pintus, A. A detailed, often complex poetic comparison sees simile that unfolds importantly great service and exceptional workmanship, delivered on time.
