Along the way we meet a number of strong women who have suffered yet survived. The neighbours didn't get it and thought they was under attack, But in truth they shoot there at the horizon on 99 aerostats. Jones and Bartlett:p. The first section - actually, probably the initial two thirds of the book - is all mystery and serious science fiction which I found complex enough to draw me in. Fitzgerald,ThomasH.The structure, finished in matte or high gloss, is made of brass tubes and spheres.
