But if you talked to someone in about it, they would have had a lot less clarity-on exactly which hurdles they were trying to get past, what kinds of innovations would allow them to leap over those hurdles, or how long any of this would. This, however, led to the persecution of the Christians and fierce counter reaction during the reign of his son, Omurtag. It's native to the area I live, and it's human story would be linked to colonisation. In the second place, the model has the advantage of emphasizing agency, the conscious adaptation of a text to a new context. Go to link.
