## **English As She Is Taught**

The first ecclesiastical councils to classify the canonical books were both held in North Africa-at Hippo Regius in and at Carthage in but what these councils did was not to impose something new upon the Christian communities but to codify what was already the general practice of these communities F.

## **The Pyramid and the Bible; the rectitude of the one in accordance with the truth of the other: by a clergyman [W. Mackenzie]**

In these texts, automata occupied a paradoxical social framing in which they represented the preternatural mirabilia of romance, but operated as the politicized machines. Upon these transplanted pieces were tatoood the letters of the alphabet; so that, when a communication was to be made, either of the persons, though the wide Atlantic rolled between them, had only to prick his arm with a magnetic needle, and straightway his friend received intimation that the telegraph was at work.
