D, Professor Emeritus. Includes interpretive markings by the editor not indicated as .

E Is for Environment: Stories to Help Children Care for Their World-at Home, at School, and at Play: Stories to Help Children Care for Their World-at Home, at School, and at Play

Most Fourteeners only necessitate a 4-foot gain. This series has everything: time travel, magic, beings from folklore, such as elves, ogres, etc, modern technologies, future developments, politics, alien intelligent species, crime, punishment, ethics and morality, all set against a backdrop of reasoning about the nature of life, of religions, of the concept of god sthe infinite and the cosmos, seasoned with a delightful sense of irony and wit The Foundation series, most especially the first book in the series, has a beautiful vision of a galactic empire, doomed by probability to fail, and the preparations for what will replace it.
