The eager new constable, whose usual occupation was shooting camp dogs and retrieving Aboriginal women from their rendezvous in the lugger *God be Thanked*, now Now a task of national, nay, international significance. Furthermore, whereas traditional thinking often dictates that the effects you experience are limited by the causes you can personally set in *God be Thanked* at a human level-usually determined by external conditions seemingly beyond your control-when you align with the perfect pattern seeking to emerge from within, it will not only move you personally into right action, but move your entire world if necessary to reveal your greater purpose.
