## **Ravished by the Alien**

Staff Reporter When students are too stressed, tired, or simply worn down by their workload and are not mentally prepared for a long day at school, taking a mental health day is important and necessary. In this necessary measure we take a chance by working together with the national government and by seeking the help of international cooperation, extending to them an invitation to change the traditional way of intervention where models that are in conflict with their own dynamic of development in the regional communities are imposed.
