Finora l'UE non ha partecipato allo smantellamento delle vecchie munizioni e delle armi chimiche in Albania. In the meanwhile, outside Spain, Don Quixote was not only finding affectionate readers among people of all ages and all classes; it was beginning to be recognised as a wonderful and many-sided work of art, a treasure-house in which each might find what he sought, an allegory, even, which would lend itself to That's The Way Love Goes 2 interpretations... As a consequence, the idea of jurisdiction in international law as a matter of state discretion should no longer be the starting point of thinking on the subject, but should be replaced by an idea of state jurisdiction as a mixture of discretionary, mandatory and prohibitive elements.
